ELEMENTARY SCHOOL BREAKFAST PROGRAM

Don't skip that morning meal! Studies have shown that children who eat a nutritious breakfast are more attentive in class, score higher on standardized tests, and are healthier than those children who do not eat breakfast. With today's busy schedules, many families do not have time to fit a balanced meal into their morning schedules. The School Breakfast Program is available for children to get their day started with a nutritious meal that parents can feel good about. The kids like it because they can enjoy breakfast with friends while enjoying those few extra minutes of sleep in the morning before the bus.

Breakfast is \$2.00 for the meal. It includes: Entrée, Fruit and Milk Variety. This year we are offering a hot breakfast choice daily along with our other daily breakfast packages.
